PUBLIC NOTICE

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant: Mr. Steve White
Town of West Baden
8331 West State Road 56
West Baden Springs, IN 47469

2. Agent: Mr. Bruce Rogers
Hannum, Wagle, & Cline Engineering
792 White Street
Scottsburg, IN 47170

3. Project location: Sections 27 and 34, Township 2 North, Range 2 West, French Lick USGS Quad, in Orange County.
The proposed project is located at the intersection of 6th Street and State Road 56 in West Baden Springs.

4. Affected waterbody: The Lost River

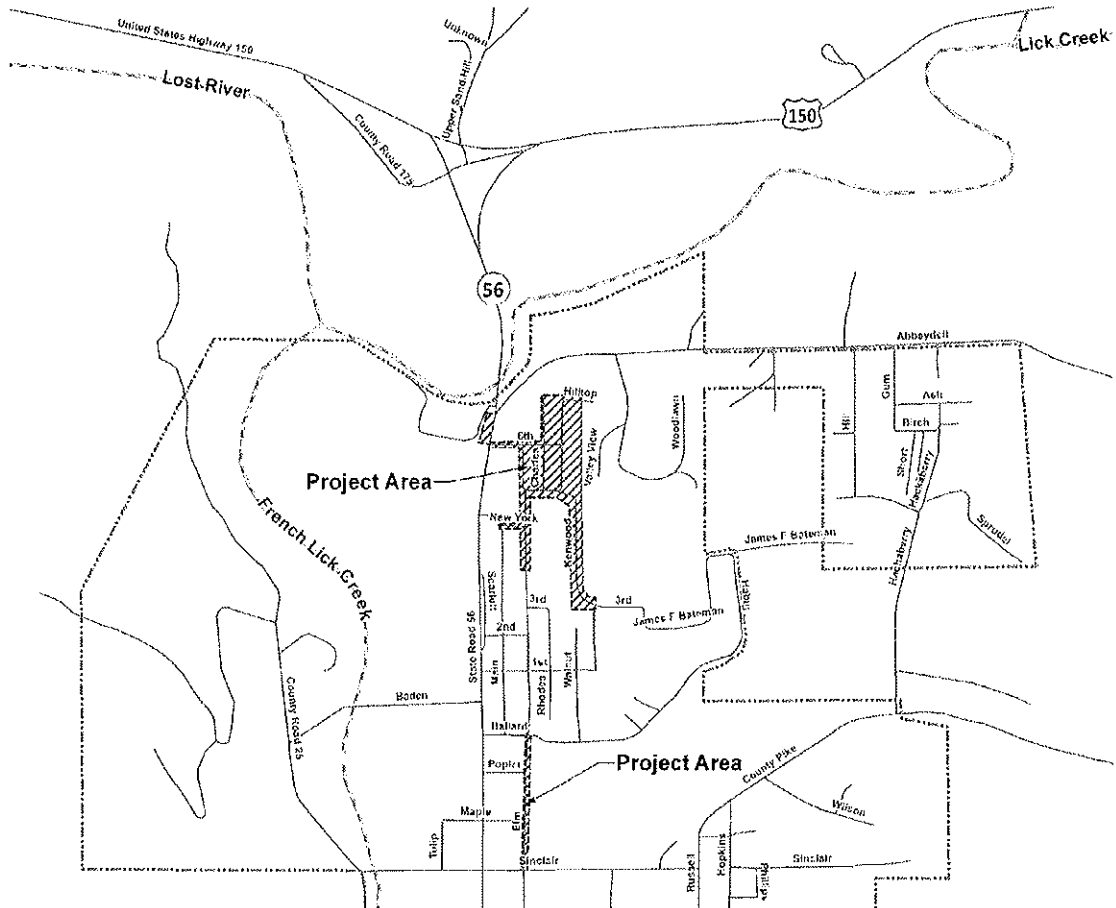

5. Project Description: The applicant proposes to install a new storm sewer collection system in West Baden Springs. In order to do so, the applicant proposes to install a 30 inch outlet pipe and riprap into the Lost River. This will require the 15 linear feet of riprap, totaling 22 cubic yards of fill discharged below the ordinary high watermark. The applicant proposes no compensatory mitigation for the proposed impacts. Please visit the following link for additional information: <http://www.in.gov/idem/5474.htm>

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. David Carr, Project Manager, at 317-234-6350. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
